

## **Ox 2019 Race Instructions - Sunday**

Thanks for entering the Ox, we have pretty much cut and paste these instructions from last year so don't expect too much....although we have decided to take all the signs out at mile 3 and then we all play hide and seek for a bit.....no? Ok then see how many people really read this instructions

A big thanks to the Rushmore Estate for allowing us to run in such a beautiful place. The Rushmore Estate feels like our second home. We have been organising races there for 6 years now. We are grateful to the Rushmore Estate Manager Ruth Mason and Larmer Tree supremo Carol Cross for their patience, understanding and enthusiasm helping us bring this trail races to life. Cheers to Simon and Jon for hiding the sheep and the fallen down trees

### **DIRECTIONS TO RUSHMORE PARK**

#### **From Blandford Forum**

Leave Blandford on the A354 heading towards Salisbury. After about 3 miles you will pass through the small village of Tarrant Hinton. About a mile further on, you will pass a turning on the left signed Chettle & beyond, at the brow of

the hill, there is a left turn, marked Rushmore Golf Club on a large brown tourist information sign. Turn left here. You will now be following small brown signs marked with a golf flag & a directional arrow.

**Follow the WSR signage** Do not turn off the lane you are on & follow the direction of the arrow NOT THE FLAG. The lane runs for about 1 mile before it meets the B3081. As you approach the junction you will see a large triangle of grass, which the road forks either side of. Take the right hand fork (you will see another small brown sign). Follow the WSR signage

Turn right onto the B3081, heading towards Sixpenny Handley. The road heads up hill & at the top of the slope, you will find the golf club entrance on the left hand side.

The drive takes you through the Rushmore Park. Follow the WSR signage.

### **From Bournemouth**

Leave Bournemouth on the A338 towards Ringwood.

At the large roundabout (junction with A31) take the 2nd exit towards Three Legged Cross.

Stay on this road for about 6 miles, through Three Legged Cross & through Horton until you reach the junction with the B3078.

Cross over the B3078 by turning left & immediately right outside the Horton Inn & continue for a further 3 miles. You will reach a junction with the A354. Cross over this road by turning right & immediately left. You will see a large brown tourist information sign indicating the golf club. Follow the WSR signage

After about 11 miles you reach a large roundabout. Take the 3rd exit onto the B3081 towards Sixpenny Handley.

Pass through Sixpenny Handley village heading towards Tollard Royal. The golf club entrance is about a mile further on the right hand side.

The drive takes you through the Rushmore Park. **Follow the WSR signage**

Once you are in the park follow the White Star signs

Please drive carefully in Rushmore Park. Sheep graze on all the fields and there are few gates and fences, it's quite likely sheep, pedestrians and the odd Golfer will wander out in front of you. The roads are narrow on the estate but there are plenty of pull ins to allow overtaking. That said there is little traffic on the roads. The campsite, start/finish and race HQ are beyond the golf club up the road. Race HQ is at Cuttice lodge, the campsite is next door on your left. Follow the WSR signage

Once you go past the building on your left you will go through some big gates and a cattle grid

Camping on the left, You cannot miss us.

Day/Night parkers follow the signs

Follow the WSR signage

Please don't park on the roads as they are in constant use and you don't want your car clipped by a tractor.

## **THE RACE \ ROUTES**

The area in which you are running is typical Wiltshire chalk down. All the paths we use are usually well maintained public access routes.

The majority of the route is on trails owned by the Rushmore Estate and rights of way open to the public.

We are very grateful to the Rushmore estate for their co-operation in bringing this event to life. All the team here have been very helpful moving livestock allowing us to open some gates and helping with logistics.

We rely on the goodwill of the landowners please don't do anything to jeopardise our good working relationships.

The course will be well marked with florescent signs, arrows; some trees, posts etc will have red and white marker tape around them just to reassure you that you are not lost.

**TERRAIN** All five races are trail races, therefore about 95% of the routes are off road. There are stretches of tarmac and some made, unmade and almost made road. There will be one or two hills, (understatement). It will be muddy in places. Please don't swim in the puddles. Shoes. Difficult one, trail shoes are recommended, something with a grip. That said studs and spikes are not a good idea..

## **GATES**

Most of the gates will be open, if its shut, its shut for a reason, please shut it behind you, don't leave it open for someone behind you. The last thing we want is an animal escaping. In some places the gates are next to a stile please go over the stile it's easier for you and we don't have to worry about gates being open. Go in style on a stile don't fall off.

## **WEATHER**

The race is in the countryside in May and as we have seen in the past couple of years the British springtime can vary from beautiful warm to belting down with rain. So please take into consideration the previous days weather when considering what to wear on your feet. Trail shoes are recommended. Basically be prepared for all eventualities and bring clothing suitable for the changeable Wiltshire climate. If it's blowing a gale and belting down with rain, wear appropriate clothing. We won't be cancelling or changing the race if it's inclement weather. We will be sitting in the warm by a fully stocked bar full of cider, eating pizza waiting for you.

### **IPODS & MP3 PLAYERS**

The perennial question about these devices...is, are they allowed? Yes. We won't drag you out of the race for wearing one, but we advise against it. "WHY? I love my new Wurzles album, I can't run without it"

Safety is the only reason we don't encourage you to wear them. The roads, as we said are quiet country lanes, but there are cars, trucks, tractors and even the odd combine harvester out there and you need to hear them and any instructions from marshals and warnings. If you really must sing along to your favourite Perry Como album, turn it off when you get onto the road sections. For your safety and the fact it's a lot of paperwork for us if you get flattened by a tractor.

### **WATERSTATIONS \ AIDSTATIONS**

Waterstations will be evenly placed. About 4-5 miles apart. These stations will have plenty of water..

Light – Aid station at 3 mile

Half – Water station at 3 miles, Lovestation™ at 9 miles. Note its trademarked...posh eh?

The area is full of Organic farms and has many sites of scientific interest, Wildlife reserves and is teeming with Deer, Old dears, Pheasant and pythons and other wildlife and livestock. We would not want any animals affected by litter. So we ask everyone dispose of the litter at the waterstation or carry it with you to the next one.

Anyone caught deliberately littering will be hung drawn and quartered, **we have zero tolerance to rubbish** (rant over).

Aid stations will have the usual goodies. The WSR Lovestation™ is designed for you to get some cake, a sports drink, a gel, jelly babies, there will be beer and a few savoury bits.

### **Medals and Goodies.**

**Light runners** that finish will receive a Flapjack, Badge, Beer, and a quality uniquely minted race medal. You get this if you complete the race.

**Half runners** that finish will receive a t-shirt and a quality uniquely minted race medal.

## RACE NUMBERS

Built into the number is your timing chip, put it on and go. Do not go near the finish line again once you have crossed at the finish, or you will get a false reading and this will make us unhappy. Please make sure you wear your race number correctly so it can be picked up.

The race will be videoed to watch you cross the line if we miss the chip registering. If you lose your chip tell a marshal and they will radio timing admin and tell us your number. Please make a face for the camera; we can then blackmail you with the footage

### How to correctly wear your race number

All runners must wear their race number on the front of their race shirt for the duration of the whole run, held on safely by safety pins or bib clips.

Wear your number and be seen. We need to make sure everyone running is part of our organised run, looked after at all times and covered by our insurance.

Please do not wear your number folded up, on your back or sides and do not place pins through the chip. If you are wearing a jacket or jumper on over the top of your run number please remove before crossing the finish line to ensure the timing mats record your result.

If not worn correctly then your result from the timing chip may not be recorded. This is your responsibility.

For your safety please ensure that the back of your race number is filled in with all correct information. Help us to help you. We have had to use this in the past and to ensure you get the help required as quickly as possible please always fill it in.

### The do not list...

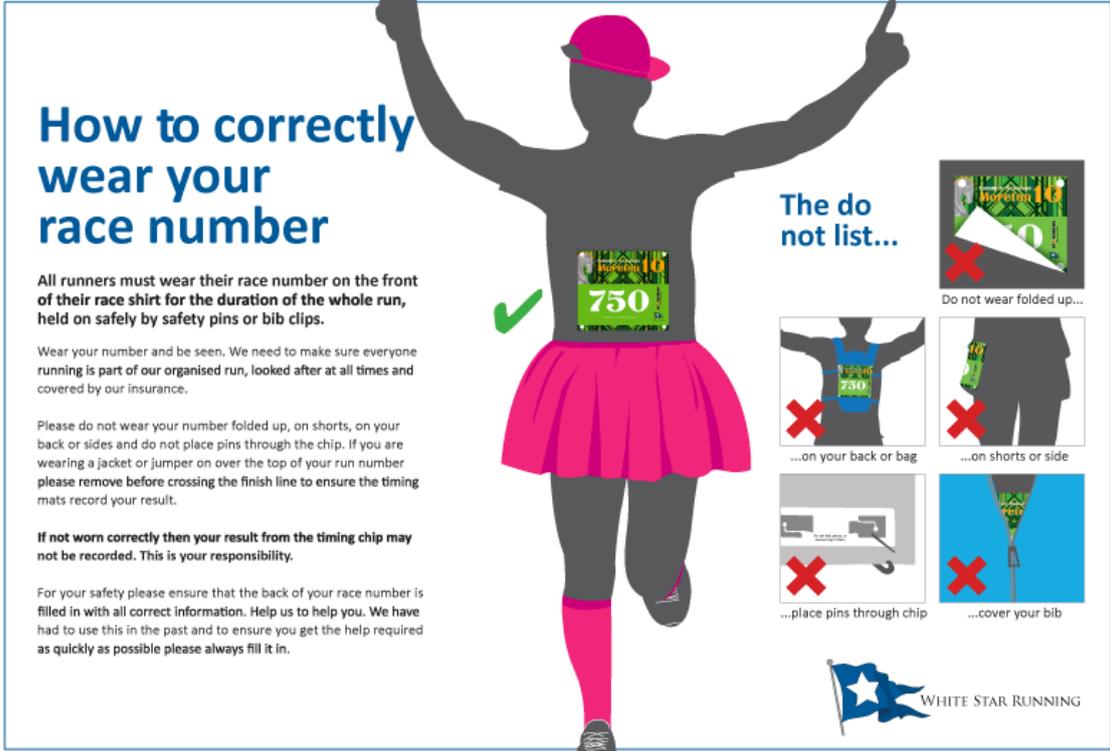

Do not wear folded up...

...on your back or bag

...on shorts or side

...place pins through chip

...cover your bib

WHITE STAR RUNNING

## SAFETY

On the back of your number write an ICE number & any medical details. This will help us and you. If you are kidnapped by locals or pass out at the sheer joy of being outside, we need to get you help as quickly as possible. We recommend that you carry a fully charged mobile phone for emergency use with race HQ emergency number stored. This number is

**07930335746**

If you need to drop out of the race at anytime we will try...try.... and get you as quickly as possible. The good thing is, the race is very centralised and you are never far from an access road or from the finish. We will have 4X4 vehicles and ambulances on standby to come and get you if need be.

**Baggage** Please give us car keys, it's easier. Presentation of your number will get your keys back, we will only give the person wearing the number their keys. There will **NOT** be a place to store your bags at the finish. Please give us your keys its much easier leave your gear in the car. Please note you leave the bags and keys at your own risk. Tear off your baggage label from your race numbers

and attach to keys. We will keep them in a box with a label, when you return you can then pick a random car at the end of the day to drive home in.

## **CHANGING**

Water is available from an outside tap on the side of Cuttice Lodge. There will be bins to chuck rubbish in and please if you bring your dog clear up after them, sheep graze the field's so we don't want them catching anything nasty. Please keep your dogs under control at all times. The estate has graciously allowed us to have dogs on the campsite. Sheep graze in the fields next to the campsite they must not be disturbed. If in doubt leave Fido at home.

White Star staff will be onsite all weekend please rock up from Friday lunchtime, we have permission for camping all weekend. We cannot guarantee the security of valuables, please lock them in your car out of sight.

## **Photos**

Race photos are expensive, so we have our own photographers and make photos available to you, free, on our own Facebook page.

This means any photos you or your supporters or fan club take can be added as well. Our pet photographer will be on site to snap you looking your best, before, during and after the race. Our photographers will be wandering around the course taking snaps and will be at the finish should you wish to have a photo with friends and family. These snaps will then be uploaded in due course to the Facebook page. By entering the race you are giving your permission to have your photo taken and placed on Facebook. If there is a pic you object (didn't get your right side, your bum looked too big etc.) please contact us and we will remove it. (Please note you must highlight the said photo we won't root through all the pics looking for it)

## **Some things to remember:**

- This is deepest, darkest Wiltshire the nearest cashpoint will Blandford or Salisbury
- Bring insect repellent, it should be ok on that field, just in case.
- Bring torches there are no street lights out there.
- Bring toilet paper.
- There is a shop in Six Penny Handley.
- We will have a generator so there will be some lighting onsite.
- The nearest hospital God forbid you need one is Salisbury Odstock which is about 25 minutes.

## **FAQ**

### **Q. What's a "Lovestation™"?**

A. At our races we realise that sometimes you need a bit of boost at the bit in the race where you are starting flag, normally 20 miles in marathons, 7 or 8 in a half etc, so we have the Lovestation™.

So when you rock up to the Lovestation™ you can have a sit down and glass of something nice like flat Coke or a cider and chew on a cake or Scotch egg and just get your s\*\*\* together before venturing on to finish the race. There may be a hug or two.

The serious side is we can also have a look at you and assess whether you are in a fit state to carry on.

We realise that most of our races are not easy and present some challenges, heat, hills, exhaustion etc can all take a toll and we are keen not to have any casualties. We take safety seriously and would only pull you out of the race if we felt you looked like death and for you to continue would put you at risk.
