Camping

Camping is a great success at our races. We are ever grateful to Estate for the use of the million acre field. The campsite is huge, right in the centre of the race, a one minute walk from the start/finish and registration. This field or as we like to call it

'**The Athletes City**' Has had all the sheep removed (there may be poo...it's the countryside get over it) and you are able to drive your car onto the field. If you have a massive camper van or Winnebago it might fit in the gate....we shall laugh watching you try. If it doesn't come and find us we will work out a way of squeezing you in.

It will be a one way system in and out of the field

Obey this rule please

Portalavs will be onsite. There may be toilet paper...might be quilted who knows? Doubt it though. Bring some just in case. There will be drinking water supply. We will have showers and they are free to use. We realise a lot of people have travelled a long way, so for once, we thought it might be nice for you to go home smelling sweet. Bring your own wash gear and towel it's not a Travelodge. If you bring your dog to camp, please, please, pick up any poos

they will leave and dispose of them sensibly. The field will be returned to Estate on Monday in good order and we don't want any sheeps and their young sheeps up any nasty infections from the dog poo. Please look after your dogs. **That means control them**, do not let them near any farm animals at any time. We don't want you to get in trouble and your dog or livestock hurt or distressed.

Got any questions info@whitestarrunning.co.uk

White Star staff will be onsite all weekend please rock up Friday night, we have permission for camping all weekend

No open fires or singing late into the night THAT'S YOU Chippenham Harriers

About a mile further on, you will pass a turning on the left signed Chettle & beyond, at the brow of the hill, there is a left turn, marked Rushmore Golf Club on a large brown tourist information sign. Turn left here. You will now be following small brown signs marked with a golf flag & a directional arrow.

Follow the WSR signage Do not turn off the lane you are on & follow the direction of the arrow **NOT THE FLAG**. The lane runs for about 1 mile before it meets the B3081. Once you are in the park follow the White Star signs

Please drive carefully in Rushmore Park. Sheep graze on all the fields and there are few gates and fences, it's quite likely sheep, pedestrians and the odd Golfer will wander out in front of you. The roads are narrow on the estate but there are plenty of pull ins to allow overtaking. That said there is little traffic on the roads. The campsite, start/finish and race HQ are beyond the golf club up the road. Race HQ is at Cuttice lodge, the campsite is next door on your left. Follow the WSR signage

Once you go past the building on your left you will go through some big gates and a cattle grid

Camping on the left, You cannot miss us.

Day parkers follow the signs

Follow the WSR signage

Please dont park on the roads as they are in constant use and you dont want your car clipped by a tractor.

Reminders

Rushmore Estate is also working farm and big Golf Course that means there are lots of dangers for children, dogs and drunk adults. There are large farm machines to get run over by, dangerous structures to fall off, slurry pits to

drown in (that's not amazing way to die), be aware. There's also blokes with shotguns....just saying. Please don't annoy the golfers

Do not approach the livestock. Trampled to death by 100 angry sheep is not nice

Do not let your dogs near the sheep.

Do not under any circumstances leave your kids unattended.

FAQ

Q. What's a "Lovestation"?

A. At our races we realise that sometimes you need a bit of boost at the bit in the race where you are starting flag, normally 20 miles in marathons, 7 or 8 in a half etc,so we have the Lovestation.

So when you rock up to the Lovestation you can have a sit down and glass of something nice like flat Coke or a cider and chew on a cake or Scotch egg and just get your s*** together before venturing on to finish the race. There may be a hug or two.

The serious side is we can also have a look at you and assess whether you are in a fit state to carry on.

We realise that most of our races are not easy and present some challenges, heat, hills, exhaustion etc can all take a toll and we are keen not to have any casualties. We take safety seriously and would only pull you out of the race if we felt you looked like death and for you to continue would put you at risk.

Q.What's the weather going to be like?

A. One moment while we consult with the weather Gods.....dunno It might rain, it might not, it might be sunny. Bring all your clothes and every pair of running shoes you own just to be safe. And a warm vest.
