

Happy New Year White Star Runner,

Welcome to 2020, we hope you had a great festive period and have been out on the trails already. Looking ahead we have some of your favourite events returning and there's a couple of new races.

We are delighted to be working in partnership with the National Trust to bring you the running element of the fantastic **South West Outdoor Festival for 2020 over 18-20th September**.

An amazing festival celebrating outdoor activities, adventures, pursuits and pastimes – plus fine food, great music and inspirational speakers.

With a dusk 5km, 10km, half marathon, frolic and kids race- there's something for everyone with [entries opening soon](#)

Thanks to **early May Bank Holiday** moving we have a 1-off race, never to be repeated [An Ox of 2 halves](#). Named as such because each half is in a different part of the estate. First half in the valleys second half in the Chase woods at Ox weekend.

1st "half" is about exploring and nice views 2nd "half" is about doing things...little tasks for you to do. Approximately marathon distance (ish) with a couple of quirky tasks to complete on your way. Instructions will be kept secret until the day of the race, so make sure your prepare for anything and everything. This race is not for people without a sense of humour.

Another new addition is the **Cub race** at [Crafty Fox Weekend](#), a 5.5 miles, starting and finishing in the village of Ansty - bang middle of Dorset. The route will have a couple of climbs to reveal some amazing scenery and an awesome medal. We will also be doing a Beer Mile & Chaos race over the weekend.

We have also added **evening entertainment** at Weekend at the Races and Cider Frolic to help you enjoy the family weekend with Black Sheep returning for a second barn dance of the year and the Jimmy Hillbillies getting an introduction to the White Star Community.

As you may be aware of recent changes in the Larmer medal types means you can add one to your collection as we are giving you the opportunity of earning one of the old style Imperial &/or Larmer medals.

Basically all you need to do is walk or run as many miles as you can in February. A proportion of the money raised from this event will go to the chosen charity - [Dorset Mind](#). As normal we wanted to help raise money for a local cause, for further information and to enter visit the [event page](#).
